A Grim Tragedy

Is daily enacted in thousands of homes, as death claims, in each one, another victim of consumption or pneumonia. But when coughs and colds are properly treated, the tragedy is averted. F. G. Bentley of Oakton, Ind., writes: "My wife had the consumption, three doctors gave her up. Finally she took Dr. King's New Discovery for Consumption, coughs and colds, which cured her, and today she is well and strong." It kills the germs of all diseases. One now relieves. Guaranteed at 50c and \$1.00 by all druggists. Trial bottles free.

Young Woman Commits Suicide in a Pullman Car Berth.

Albuquerque, N. Mex., Jan. 25.—A mysterious death occurred in a Pullman car attached to a Chicago-California Santa Fe train which passed through here. The victim was a woman, possibly 25 or 30 years old.

Papers indicate her name to be Mary McKee, No. 2251 San Jose avenue, Alameda, Cal. Her ticket reads from Chicago to Los Angeles, and the Pullman conductor and porter say that when she entered the coach she was heavily veiled.

After retiring the first night the woman did not leave her berth. About two hours before the train reached here the porter heard a moaning sound from her berth and asked if she wanted anything. She replied in the negative.

An hour later the porter found the woman dead in the berth.

Although no poison could be found, the theory of suicide was advanced because several pieces of paper were found bearing her name in care of Mrs. O. B. Chase, Alameda, and the name of Mrs. A. McNiel, 228 Michigan avenue, Chicago.

The body will be held here awaiting order.

SHIP CARRIED BIG CARGO.

Cotton Comprised Largest Single Article of Shipment.

Seattle, Wash., Jan. 25.—With 26,000 tons of freight, the largest cargo ever carried ashore, and 141 passengers, the Great Northern Steamship company's new Oriental liner Minnesota has left this port and started on her initial trip to Manila and Oriental ports.

Cotton comprises the great shipment of any single article of the vessel's cargo, which is made up of general merchandise, structural iron and steel, machinery and 75 flat cars for use on an Oriental railroad.

Sickening Shivering Fits

Of ague and malaria can be relieved and cured with Electric Bitters. This is a pure, tonic medicine; of especial benefit in malaria, for it exerts a curative influence on the disease, driving it entirely out of the system. It is much to be preferred to quinine, having none of this drug's bad after effects. E. S. Mundy of Henrietta, Tex., writes: "My brother was very low with malaria fever and jaundice, till he took Electric Bitters, which saved his life. At all druggists. Price 50c, guaranteed."
